### IMPORTANT NOTICE

Please note that this list is still subject to change and should only be used as an indication of what the Festival might offer - the organisers cannot guarantee that all these beers and ciders will be available.

#### Notes

LocAle means a beer is brewed within 40 miles of the festival

Beers in bold have been added since the first public release of the list.

The Wash column indicates beers that are from this year's theme area.

Beers marked as Saturday only are being held back for the Saturday evening live music session.
